ARMBRUSTER				102 - 113

VORWORT

1. Die Vorgeschichte dieses Buches.

Der vorliegende Band ist ein Nebenprodukt des gleichzeitig erscheinenden Buchs über Auswanderungen aus der Ortenau. Um den Inhalt nicht zu groß werden zu lassen, habe ich den Datenbestand auf zwei Bände aufgeteilt: im Süden die Ortenau und im Norden die Gegend um Rastatt, für die es keinen eigenen Landschaftsnamen gibt.

Die betreffende Region ist geprägt durch Rastatt als alte Militärstadt, die umliegende Rheinebene und die östlich anschließenden Höhen des Schwarzwaldes. Der Bereich reicht somit vom Rhein bis zur östlichen Grenze des an dieser Stelle sehr schmalen Großherzogtums Baden. Die Gegend war im 19. Jhd. weitgehend ländlich mit Ausnahme einiger Städte und der frühen Industrie in Ettlingen. Einst zur Markgrafschaft Baden-Baden gehörig, sind die meisten Orte katholisch. Bereits im 18. Jhd. sind zahlreiche Auswanderungen nachweisbar, zumeist nach Ungarn⁶

Grundidee für das Sammeln der hier vorgelegten Einträge war wiederum der Umstand, daß die badischen Amtsblätter und Zeitungen voll von amtlichen Bekanntmachungen über Auswanderer sind. Solche Anzeigen sind allerdings schwer zu finden, weil es teils gar keine, teils nur jährliche Register gibt. Die Erfassung der Daten erfolgte von vornherein mit der Absicht einer Veröffentlichung. Diese soll es ermöglichen, die Herkunftsorte von Auswanderern zu ermitteln, von denen bislang nur bekannt war, daß sie aus Baden stammten.

Insgesamt sollen die hier veröffentlichten Listen aber nur als Hinweise verstanden werden, an welcher Stelle etwas zu finden ist. Die eigentlichen Anzeigen können durchaus noch weitere Angaben enthalten und die zugehörigen Akten – falls sie noch existieren – erst recht.

Folgende Bände über badische Auswanderer erscheinen nun:

1. Der Breisgau mit den Amtsbezirken Breisach, Emmendingen, Ettenheim, Freiburg, Hornberg (bis 1857), Kenzingen, Staufen, St. Blasien (bis 1844), Triberg (bis 1858) und Waldkirch.
2. Odenwald und Bauland mit den Amtsbezirken Adelsheim, Boxberg, Buchen, Eberbach, Gerlachsheim, Krautheim, Mosbach, Tauberbischofsheim, Walldürn und Wertheim
3. Die Ortenau mit den Amtsbezirken Achern (bis 1864), Gengenbach, Haslach, Lahr, Oberkirch, Offenburg, Rheinbischofsheim und Wolfach.
4. Die Gegend um Rastatt mit den Amtsbezirken Achern (ab 1865), Baden-Baden, Bühl, Ettlingen, Gernsbach und Rastatt..

Ausgewertet wurden jeweils die noch existierenden Zeitungen von deren Beginn bis zum Ende des Jahres 1871. Das Reichsgesetz vom 1. Juni 1870 über den Erwerb und den Verlust der Bundes- und Staatsangehörigkeit ließ nur noch militärische Hindernisse gegen eine Auswanderung zu, die Vornahme einer Schuldenliquidation und deren öffentliche Ankündigung mußten deswegen unterbleiben, da sie fortan als unzulässige Behinderung eines Wegzugs galten. Die noch verbleibenden Bekanntmachungen (Erbenaufrufe, Fahndung nach Wehrpflichtigen und andere) dürften ab 1872 für ganz Baden in der Karlsruher Zeitung zu finden sein.

Die Listen erscheinen ganz bewußt in englischer Sprache, weil diese von der Mehrzahl der Leser verstanden wird, jedenfalls eher als deutsch. Außerdem können deutsche Interessenten die Anzeigen ja im Original nachlesen.
